

# Statement of Commitment

By signing the Pinnacle Percussion statement of commitment, you are indicating that you are going to dedicate the hours, energy and attitude it takes to be a championship ensemble and represent our ensemble and state at the national level. Being a part of this ensemble is a privilege, and a commitment to excellence is a must. Each and every member must arrive to rehearsal with a willingness to work hard and to encourage the ones around them to achieve greatness in the performance arena.

By signing this document, you are indicating that you have received a calendar of rehearsals and performances that will take place throughout the indoor percussion season.

By signing this document, you are indicating that you are aware of the policy to notify the director of any future absences at least 1 week in advance, unless it is an emergency.

By signing this document, you are indicating that you are aware of this activity being a club and not a class. There are dues associated with this activity that are vital to its survival and they must be paid. If there are outstanding dues owed to the Pinnacle Percussion Boosters, students will withheld from rehearsals and performances until their dues are paid.

Failure to sign this document and turn it in indicates that you no longer wish to participate in the Pinnacle Percussion System.
