

Uniform Agreement

Dear Parents and Students,

Welcome to Pinnacle Percussion.

Please carefully read the following rules regarding the winter drumline uniforms as they will be strictly enforced:

1. There will be no eating or drinking while in uniform unless the food/drink is provided by the boosters. Students should always plan to eat prior to reporting for call time.
2. All students are responsible for checking their uniform out prior to competition departure, and once done performing, placing their uniform back on to their assigned hanger and in to their uniform bag. They are also responsible for checking their uniform back in to the uniform room upon return to PHS.
3. Compression shirts and compression shorts are to be worn under the uniform at ALL TIMES. Violation of this rule will result in a cleaning fee.

The student is **responsible for any damage** to the uniform including replacement if necessary. In the event the uniform cannot be repaired or cleaned and must be replaced, the student will be responsible for the replacement cost of the uniform. We strongly encourage you to advise your students to follow the rules to avoid incurring any of these costs.

We are looking forward to the upcoming winter drumline season and your cooperation is appreciated.
